Deadites, skullbats, and skeletons don't stand a chance when you've got a chainsaw in one hand and Evil Dead: Hail to the King Prima's Official Strategy Guide in the other. You can thank Prima when you need help with a puzzle that's as unforgiving as Evil Ash himself. Go ahead and hail to the king, baby! The guide includes: Infallible methods for employing the nefarious Necronomicon; puzzle-solving strategies to make the undead beg for mercy; warrior-from-the-sky-worthy weapon upgrade tips; Boomstick tactics for dealing with damn dirty Deadites; otherworld-thwarting pointers to defeat everything from your Evil Hand to the Inbred Hellbillies; intrepid explorations of all new and classic environments.
