EXCEL: Tips & Tricks - Over 100 ways to crash with Calc Spreadsheet Just like other important software, this software offers so many different functions for different reasons. You are able to customize your working environment to offer an ease of use. For example, if you are not going to use the paint function because you are working on statistic spreadsheet, then you probably do not need it to be in your working area. Items that you do not need will just get in the way and make your work area cluttered. In this chapter you are going to learn how to create an appropriate working environment while you are using Excel. Download this book now! ENJOY
