

Fire Phone: A Well Established User Guide for Fire Phone. Learn the Basics of Setup and the Latest Tips and Tricks (Fire Phone Books, Amazon Fire Phone, Fire Phone Unlocked)

Did you recently purchase a new Amazon Fire phone? Are you thinking about purchasing an Amazon Fire Phone but youre on the edge as to whether you should or not? Perhaps youre looking for a gift for someone and you want to be sure you know all about it before you hand it off to them? Look no further for your comprehensive beginners guide to using the new Amazon Fire Phone! Youll find information in this book pertaining to how to start up like registering the phone, deregistering it if you bought it used, and how to set up the basic settings. Ill also tell you about how to connect your phone to Wi-Fi connections, Bluetooth devices, big-screen devices such as a television, and even set up a VPN connection. Then Ill tell you all about troubleshooting your new phone, like how to handle a frozen screen or purchasing issues. Ill even tell you how to figure out why purchases arent showing up or how to handle an issue with a specific application. Finally, Ill give you a bonus chapter that includes how to encrypt your phone, back it up both automatically and manually, and how to get a free years worth of Amazon Prime! As you can see, theres a lot of need to know information in this guide to the Amazon Fire Phone, so get your copy now. In this book Youll also find information on: Transfer information from one phone to another Take screenshots Set up the status bar Use one-handed shortcuts Backup photos Use the e-mail Calendar applications Getting Your FREE Bonus Read this book to the end and see BONUS: Your FREE Gift chapter after the conclusion. _____
