

Godfrey: Book Four

Its the summer of 1926 and love is in the air. Or at least it seems that way. Godfreys just met Antoinette and hes rather smitten. Only trouble is, Antoinettes older brother, Henri Lapalme, doesnt like the idea of Godfrey messing around with his baby sister. Can he convince Henri that hes looking for more than just a girl to mess around with? Around town, Joe Campbells been sober. Hes got a truck for sale and Leos interested. Telford & Sons barbershop is still turning men into models and the Wainwright Hotel continues to churn out tender and juicy steaks for local bachelors. Blessed Sacramento is still full on Sundays - though Godfrey wishes he could take a week off. Down at the river, on a sunny July afternoon, things go awry for the Caron children when Simon falls in the river. Can Godfrey save the day?
