

Great Men and Women who mad Great Britain Great

Wale Babatunde argues that it is influence of christianity, particularly that expressed through the faith of great christian political and social reformers, scientists, industrialists and preachers that made Great Britain the foremost nation in the world and a country of prosperity and freedom. Equally it is the abandonment of those values that has lead to her decline. In short biographies of some of the reat men and woemn of the past who helped mould British society, Wale Babatunde gives the current generation of christian believers inspirational role models in the battle to win Britain back to the christian faith.
