

Habst and the Disney Saboteurs

Meet Reginald Habst Habstermeister: burnout, urban explorer, and loveable loser. Leeching off his oversexed and underage girlfriend, and living the life of luxury in her wealthy mothers mansion, he doesnt have a care in the world. But when Habst unwittingly becomes the prime suspect in the sabotage of Walt Disney Worlds most hated attractions, he has no choice but to enter a seedy web of Darknet intrigue in order to clear his name. One part comedy, one part mystery, and one part sci-fi futurism, Habst and the Disney Saboteurs is Kinseys most ambitious and exciting book yet.
