

# Just Hang Loose: A View of the World Through the Eyes of Pre-Schoolers

Erika and Melissa are on the climber. Erika calls out, Look! I can just hang loose here. She grins at me, proud of her new discovery, and encourages her friend to join in. They both drape themselves on the climber in a wide variety of poses singing, Just Hang Loose over and over again. Anecdotes like this one, gleaned from over almost 20 years of being in preschool classrooms, fill this book. Play, as a child's work, is fully and compellingly illustrated in these stories, a gift from the daily lives of children.
