

By Hank Haney: The Big Miss: My Years Coaching Tiger Woods [AUDIOBOOK] (Books on Tape) [AUDIO CD]

The Big Miss is Hank Haney's candid and surprisingly insightful account of his tumultuous six-year journey with Tiger Woods, during which the supremely gifted golfer collected six major championships and rewrote golf history. Hank was one of the very few people allowed behind the curtain. He was with Tiger 110 days a year, spoke to him over 200 days a year, and stayed at his home up to 30 days a year, observing him in nearly every circumstance: at tournaments, on the practice range, over meals, with his wife, Elin, and relaxing with friends. The relationship between the two men began in March 2004 when Hank received a call from Tiger in which the golf champion asked him to be his coach. It was a call that would change both men's lives.
