

Like a Joyful Bird: A Memoir (2nd edition)

Like a Joyful Bird is a memoir of a third-generation Korean-American woman, born and raised in Hawaii. My story begins with the adventures of my grandparents, who emigrated from Korea to Hawaii, and the interesting lives of my parents and siblings. It then follows the twists and turns of my life which took me from a provincial childhood in Honolulu to a journey around the world ... from being a swinging bachelorette to being a devoted wife and mother ... from practicing my violin every day to writing at my computer. Like a Joyful Bird takes an upbeat look at my experiences and the people who have crossed my path.
