

This Country Life: Old Houses

The decision to buy an old house should never be made in haste. So begins the misadventures of the Rusk. They were young - optimistic, taking on one old house and farm after another. With wit and candor Eliza Rusk captures the feel of the back-to-the-land movement of the 70s. This is a book for anyone who loves old houses, country living and who thinks I can do it myself.
