

Mommy Cruises: A Guide to Cruising with Kids

Admit it: you need a vacation! Every Mom needs a vacation, but most of us just cant imagine how we can take one. Traveling with kids means theme parks, stress, and no romance. Doesnt it? The answer is cruising! Mommy Cruises shows you how every Mom can take a relaxing family vacation, enjoy time with the kids, and still find time for romantic interludes. Inside this book youll find all of the information you need to start planning your first cruise vacation, written from a Moms point of view. But be warned: once you start cruising, you may become addicted! About the Author Helen Brubeck is a veteran cruiser who has traveled with her family many times and lived to tell the tale. Find out her secrets in Mommy Cruises!
