book includes a number of images and/or
complex formatting, converting your book
make take considerably longer than two
hours. This manual is best suited for fiction
novel, or general nonfiction books. If your
book requires a great deal of specialized
formatting, please note that this book does
not cover the use of CSS, html, KindleGen,
NCX files, or other advanced Kindle
formatting issues. If this area is of interest
to you, the purchase of a separate book
covering these topics is recommended. In
addition, it is recommended that you read
the first book in this series, How to Format
a Print Book in 12 Easy Steps, before
converting your book to Kindle, NOOK, or
Smashwords format. Several key topics,
such as consistency of style, are discussed
in that book.Format a Book Series (3
