

## Get to #1 on Google in easy steps

Google generates huge quantities of targeted traffic and revenue, but websites that don't show up on the first page of Google's listings are missing out on a major portion of the online market. In easy-to-follow steps, this guide walks webmasters and site owners through the process of marketing a site to Google. Specific information reveals how to identify keywords being searched for and how to identify niche markets with little or no competition. Readers then learn how to integrate keywords into a website, moving it to Google's first page. Additionally, there is extensive information on improving existing Google positions and staying ahead of the competition. Regardless of skill level, *Get to #1 on Google in Easy Steps* shows readers how to climb Google's rankings in a snap.
