

Why You Still Lose at Bridge

S.J. Simons classic bridge text book *Why You Lose at Bridge*, dispensing advice to the improving card player through archetypal bridge-playing characters such as Futile Willie, the Unlucky Expert, and Mrs. Guggenheim, is regarded as one of the best books ever written on the game. In this follow-up book, Julian Pottage uses the same approach to discuss common failings of modern club players - mis-describing your shape, overvaluing your hand, bidding the wrong slam, playing a flawed system, giving the wrong signal, making losing leads, and many more.
