

How To Write A Book That People Automatically Want To Buy

How to write a book is harder than it seems. Especially if you want to write a book that is successful. Inside *How To Write A Book That People Automatically Want To Buy* you'll learn how to write a book that sells itself. So, you may be asking, what is a book that sells itself anyways? Well, it is a book that your customer wants to buy automatically as soon as he/she sees or discovers its existence, because it's a direct solution to the problem you already want to solve. Have you ever been to a bookstore and noticed a book title that you immediately felt was written for you, and you automatically wanted to buy it without even thinking twice? Or have you had a problem and WISHED there was a book out there which would help you solve it, and you would probably pay money for, if it existed? A book that sells itself has the customer thinking, YES, this is exactly what I need. You don't need that much marketing or any at all because they already want to buy it (you can still use marketing, but that's just like the icing on the cake). And there are very specific ways to create this feeling for your customer that you're going to learn inside the *How To Write A Book That People Automatically Want To Buy* book that will make your book sell itself and people automatically want to buy. A FEW exciting things you will learn inside this book: A few more exciting things you are going to learn are:- The EXACT SPECIFIC WORDS and PHRASES to KEEP your readers' attention and get them ENGAGED in your book.- Hidden psychology behind naming your book so it's impossible for your customers to forget it, and cause them to automatically want to buy your book.- Step-by-step FORMULA how to make your book UNIQUE and SUPERIOR to any competition (this just might be the difference between making enough money to support yourself and family WAY

beyond your basic needs, and not wasting a bunch of money, time, and effort on a book no one buys.- Easy-to-use technique on how to create and organize your money-making concepts without really creating anything new.- The three most powerful WEAPONS OF INFLUENCE to build into your book so the most amount of people buy your book (using this, its almost like you have new SUPER POWERS that attract many new buying customers, making you a MONEY MAGNET).- 13 starting sentences to help you begin writing effortlessly and come up with money-making ideas.- 17 transition sentences that help your readers keep on reading and at the SAME time keep you writing easily, quickly finishing a book that your reader can NOT put down.- How to communicate in a way that makes it almost IMPOSSIBLE for your customers to MISUNDERSTAND you or your book.- Specific set of frameworks and structures that you can use instantly to hang your own ideas and information on, to make it 5 to 10 times more valuable which means readers are willing to pay a higher price for it.- Seven steps to create your story that positions you as the Authority on the topic.A very profitable lesson from Jeffrey Gitomer - The Little Red Book of Selling that he said is responsible for selling \$150 million a year worth of products and how you can use this exact same strategy.How To Get This Book Now: All you need to do add this book to your cart and check out and you will get it instantly.Youll also get instant access to download all the videos, audios, and blueprints giving you the ultimate training you need to finish your book.That way you make more than enough money to support yourself, family, and beyond, and also giving you the lifestyle and freedom you want and MANY more of the benefits that come with finishing a book.So go ahead purchase this book now and it in 30 days or less you will have your finished book that people automatically want to buy.
