

Unemployment

Unemployment is the newest zine by Aaron Lake Smith of Big Handsome. There's nothing quite like the nagging doubt that accompanies a period of unemployment, begins the zine and for the next 44 pages Aaron brings us along on his dark journey into the heart of the failing American empire. Whether touching on the allegorical implications of the Spider-Man/Peter Parker character symbiosis, dreaming about a shameful meeting with a Christ-like Crimethink author, or just roaming the recession-era streets, Aaron applies everything to the current economic slump and does so in prose that is tight, engaging, and downright hilarious. This little primer/per-zine is some timely stuff.
