

Desiderata for Dog Lovers: A Guide to Life & Happiness

Mans best friend has always been a source of comfort and calm for owners and that makes the combination of dogs and Desiderata such a superb match. Each phrase in the poem receives just the right accompanying image: a black Lab resting quietly on the beach illustrates and remember what peace there may be in silence. A cute mutt with its face cocked to the side as if concentrating on a conversation demonstrates what it means to listen to others. A pair consisting of one large and one small doggie reveals the truth that: For always there will be greater and lesser persons than yourself. Every dog lover will be charmed.
