

# What Did We Do to Deserve This Crazy Thing Called Life

This Crazy Thing Called Life is a book that makes witty and satirical comments about the journey we're all on, the journey we call life. Through his observations of human nature, and the human condition the author has formed his own unique perspective and has made comments, regarding those matters that most affect our lives, focusing on love, marriage, money, politics, education, religion, and life in general. At the same time he continually makes the point that we are all responsible for our own lives and that we can make it what ever we want. With comments, quotes, paraphrases, as well as pictures, the writer drives home his observations much in the style of Andy Rooney, and Art Buchwald. This Crazy Thing Called Life entertains with humorous comments and pictures, but all the while it provokes thought about a multitude of subjects that we all experience on the roller coaster ride of life.

**What Did We Do To Deserve This Crazy Thing Called Life by Brian** 1 quote from Brian D. Davis: Life is like a stage play and your playing the lead part, Brian D. Davis, What Did We Do To Deserve This Crazy Thing Called Life.
