

Primas Official Strategy Guide to Independence War

The combat tactics for deep space Guerilla warfare in Independence War: Primas Official Strategy guide may be your only hope! Learn the strategies for commanding the massive capital ship, the DREADNAUGHT. Scope out the statistics on each of the four Command Stations: Command, Navigation, Weapons, and Engineering! Also included are complete weapons break-down and fly-throughs of each mission. And for those of you who are more interested in games than the laws of physics there is a necessary explanation of Newtonian physics involved, including mass, momentum, and inertia.
