

## Life Without the Bs: Rants, Raves and Other Crazy Stuff

Life Without the BS is a humorous look at life, marriage, kids, education, and a few other bugaboos including politics, religion, and sex and dating. If you've got an axe to grind against the Obama, Hillary, Rush, or Anne Coulter--we've got you covered there, too. I don't want to give away the farm, but here are a few tastes of what you'll find inside. Let me warn--it's finger licking good. Once you start reading you won't want to stop. On people - As Americans, we were guaranteed the right to life, liberty, and the pursuit of happiness. Only problem is what gets my rocks off doesn't even register on the happiness scale for some crazy ass bastards out there. Believe it or not, people are different, some a little more so than others.
