

## Insanity: My Mad Life

Charles Bronson is the most feared and the most notorious convict in the prison system. Renowned for serial hostage taking and his rooftop sieges, he is a legend in his own lifetime. Yet behind the crime and the craziness, there is a great deal more to Charlie. He is a man of great warmth and humor; a man of great artistic talent who exhibits his drawings around the country; and a man with an overpowering urge not to let the system get him down. *Insanity* is a look into the mind of a true individual—a wild, inspired, single-minded, fascinating man, oppressed not only by the workings of his singular mind, but also by the system that confines him.
