

# Inside Canadian Intelligence: Exposing the New Realities of Espionage and International Terrorism

Since 9/11, Canada has been on the front lines of a New World Order that few understand. And in this world, intelligence is not just the first line of defence it may be the only one. Editor Dwight Hamilton has assembled an all-star cast of former intelligence officers and journalists to take you inside the covert and dangerous world of espionage and international terrorism. For the first time in history, a concise expose of every government organization in the Canadian national security sector is available to the general public. With first-hand accounts and informed analysis, the team behind Inside Canadian Intelligence has the esoteric expertise to accurately portray the new realities like no one else can. Forget James Bond: this is the real thing.
