

The Best of Mac: The Political Years 2000–2010

Best-selling Daily Mail cartoonist Macs collections have made the British public giggle for more years than we care to remember. For the first time, this volume of his political cartoons draws from over ten years of MACs most memorable drawings. Relive the most controversial and memorable news stories from the past few years with MACs unmistakable style and incisive, acerbic wit. Bound to raise many laughs, The Best of MAC: The Political Years captures highlights such as George Dubyas War on Terror, the credit crunch, and of course all the old chestnuts financial irregularity, failing schools and hospitals, binge drinking, and sex scandals.
