

Commando God!: The Holy Adventures of Augustine, M, Jose & Sammy (Volume 3)

Augustine and his posse of tough orphans are back with preposterous adventures and their entertaining interpretations of all things holy. Now, after living at St. Annes for six months, Auggie has celebrated a birthday, learned the difference between insurrections and resurrections, and has taken notice of girls. And not by choice! M continues to entice him into reading the Great Book, and it works! His curiosity always gets the best of him! He reads a little bit more of the Monstrosity. The Bible at least has a few interesting stories, he admits begrudgingly, but one story in particular is irritating his brain just now. Its about the first trick Jesus pulls off in his whole life, so its a sort of historic moment. The thing is, wellit almost sounds as if Jesus was being a snot-wad to his mom! Can Jesus actually be a snot wad? Meet more of St. Annes orphans while Auggie, Jose, and Sammy mend old fences. Oscar and Eddie are suddenly teamed up with them as comrades-in-arms during the GREATEST FOOD FIGHT OF THE CENTURY! But did the boys really forgive their old enemies after all? Maybe not. When Eddie and Jose enter a bet over one of the Bibles famous stories Jesus walking on water Eddie loses big! Jose and Auggie can exact their revenge! Whassup, loser! If Jose put you in the poor house, Eddie, Im sure you can do his laundry or some other dirty job in exchange for payment brush his teeth for him, maybe. Yeah, Eddie. You can pick my nose three times a day. Thats a fifty cent job. When I do number two, I make big splashy messes! I can always use help cleaning up. I pay a dollar a day for that. I usually go about four or five times a day, especially when we have asparagus. Good systems! How much money did Eddie lose? Would you believe its more than fifty dollars?! How will he pay off his debt? Will Heaven intervene on his behalf? Some of the girls in school are

creating a big splash of their own these days, particularly with the trio of friends. Jessica is beginning to appreciate Sammys smarts while Lily, the prettiest girl in the whole school, tells Augustine that she thinks Jose is funny and a little cute too. What does Auggie think about all of this? The only way to find out is to read Commando God! Follow the orphans and they get into more scrapes and learn more about Gods love for us.
