

Just Add Water: Your Guide to the Ultimate Cruise Vacation

Two travel agents passionate about cruising share their experience, advice and tips on how to cruise like a pro, see the world and save money in the process. Whether you've never cruised before or you've sailed the seas multiple times, you're sure to find valuable tips to make your next cruise the best cruise. Discover how to choose the right cruise, destinations and shore excursions from the Caribbean and Mediterranean to Alaska. The information in this book could save you hundreds to thousands of dollars. And with the overwhelming number of choices and all the deals you hear about, Just Add Water helps cut through the clutter. Welcome Aboard.
