

New Perspectives on Microsoft Office 2007, First Course, Premium Video Edition (New Perspectives (Thomson Course Technology))

Following the critical thinking, problem-solving approach of the New Perspectives Series learners will gain a comprehensive understanding of Microsoft Office 2007, including the new features of the software. The case-based tutorials challenge learners to apply what they are learning to real-life tasks, preparing them to easily transfer skills to new situations. With the New Perspectives Series approach, learners understand why they are learning what they are learning, and are better situated to retain skills.
