

Spanish to Go (Little Language) (Spanish Edition)

Tired of phrase books that tell you all about At the Post Office, In the Museum, At the Doctors, but haven't a lot to say on the subjects that most travellers find a good deal more interesting and entertaining, and generally more useful? Bored of stilted phrases which, while they may once have been handy on formal occasions decades ago, have little bearing on real life, and even less on what visitors to a country might actually want to do? If you are, then these Little Language Books are the perfect remedy. Designed for the youthful and the young at heart, these delightfully informal, pocket-sized phrase books manage to be both humorous and indispensable, as well as packed with the kind of information that will make any trip easier, and a lot more exciting.
