This is a book about an African American Woman who lived a life of Polygamy as the second wife of a Polygamous, Pentecostal Preacher in the small town of Clinton North Carolina. The story takes place between the years 2004 and 2010. The book is based on memoirs of her true story, which is also a larger book titled Chronicles of a Concubine and begins with her encounter with and fight against the C.P.S. agency that abducted her children, up until her meeting, makeshift marriage and ultimate separation from the man she calls BL, (short for Barry Lyant), a married Pentecostal Preacher/Womanizer who takes her in off the street and seduces her into a lifestyle of polygamy and silent, secret marriage to him.
