

Life of Brigham Young, or Utah and Her Founders (Classic Reprint)

That the matters embodied in the chapters of this book are eminently worthy an enduring record will, I think, be cheerfully conceded. Of myself let me say, if the manner in which I have handled the subject betrays my love for the Mormon people, I confess it. But it must not be forgotten that I have been, for many years, an apostate, and cannot be justly charged with a spirit of Mormon propagandism. Rather have I striven to treat the subject with an artists fidelity, and with the earnestness of one concerned. Edward W. Tullidge. Salt Lake City. (Typographical errors above are due to OCR software and dont occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
