

## Blythe Style

International superstar and high fashion model Blythe has never let the fact that she is literally a doll slow her down. Rescued from toy box obscurity with the publication of Garans first book, This Is Blythe (50,000 copies sold), the 12-inch tall diva has been celebrated in the front windows of Bloomingdales; on the cover of Womens Wear Daily; on VH1s I Love the 70s; in People, the New York Times, and ad campaigns for Nordstrom, Sony, and trendy Japanese department stores. In Blythe Style, she shows off 100 to-die-for outfits created for her by top designers from around the world and photographed with colorful invention by Garan, including Gucci, Prada, Versace, Christian Dior, Dolce & Gabbana, John Galiano, Paul Smith, Issey Miyake, Vivienne Westwood, and dozens more, all for the sake of charity. Tr s chic!
