

Login Safe! The Password Maker, Web Address Journal, Login Keeper: Talking Days (Journal, Organizer, Logbook)

You have dozens of passwords? Create and remember them all with one secret master keyword! We need many logins and passwords, but how to store them in one secure place? Software, USB-Sticks and cloud services can be cracked. Normal logbooks and organizers don't hide the sensitive information. The Login Safe is the solution. This pocket-sized notebook will help you with both to encrypt strong passwords and organize them: and only you can decode and read the hidden information! So your logins will be safe, even when others take a look into this journal. Make your internet life easier and safer now with a Login Safe.
