

Looney and Gooney Gamboling : The Ruminations of a Curmudgeon

Funny. Irreverent. Honestly down to earth and delightfully sane, Thomas Coon has many an ace up his sleeve for every generation. At home with the veterans, on common ground with the thinking of confounded masses, and refreshingly quirky with the times, Looney and Gooney Gamboling is a fascinating account of the changing scenario and growing years. Looney and Gooney Gamboling: The Ruminations of a Curmudgeon is a collection of letters to the editors of a variety of newspapers and journals dating from 1986 to the present. The themes range from the light hearted to serious issues plaguing the United States. It is like a breath of fresh air and will provide much needed mirth to readers in this day and age.
