

## Lotto Fever

What do a down-on-his-luck paramedic, his new love, his old girlfriend, her wannabe-gangster new boyfriend, the boyfriends bumbling sidekicks, and two corrupt detectives have in common? They've all won the lottery! The only problem is who will get to claim it. A seemingly harmless moment of indiscretion lands paramedic Travis Bernard in the midst of a plot to rig the lottery that jeopardizes everyone he holds dear. It's a tale of pimps, pirates, preposterous 911 callers, a homeless man bent on retribution, and a detective who just wants to be liked all in a seedy world filled with sex, drugs, and karaoke. Will Travis choose the woman of his dreams, the millions, or lose both? Will Aaron Parker win the over 300lb Elvis Imitator contest? What really is the difference between dolphins and porpoises? The answers to these pressing questions and more await you in *Lotto Fever*.
