

Half a Man: The Status of a Black Man in New York

Six years ago I met a young colored man, a college student recently returned from Germany where he had been engaged in graduate work. He was born, he told me, in one of the Gulf States, and I questioned him as to whether he intended going back to the South to teach. His answer was in the negative. My father has attained success in his native state, he said, but when I ceased to be a boy, he advised me to live in the North where my manhood would be respected. He himself cannot continually endure the position in which he is placed, and in the summer he comes North to be a man. No, correcting himself, to be half a man. A Negro is wholly a man only in Europe.
