

## New Orleans Unleashed

New Orleans Unleashed is a rhyming, rollicking photographic journey of a 1/2 chihuahua and 1/2 blue heelers quest to reunite with his family after one snap of the leash set him free. A fabulous tale of a little dog, a little lost in one of the most intriguing cities in the U.S. The heros journey takes him to the Mississippi River where he pilots a paddlewheeler, a ride on the oldest streetcar line in America, a face to face meeting with an aligator while on a swamp tour, through Audubon Park on a tour of the French Quarter with his heroine Dauphine and even to the newly opened Jazzland Theme Park. His adventure through the Crecent City from East to West is captured by Vanessa Browns exquisite photography. Could John DeMers, Rhonda Findley and Brown have created a better adventure tale? Come see Where yat. Chidren, adults and dog lovers alike will be love the pictures and prose.
