

## Mayas First Rose: Diary of a Very Special Love

When Kosins first met Maya in a pet store, he didn't even want a dog. But 18 years later, when she died in his arms, Martin knew their relationship was and always would be the most significant of his life. This wonderfully moving chronicle of Martin's and Maya's ever-deepening bond touches a chord in anyone who has ever known grief at the loss of a treasured animal friend. Illustrations.
