

Unexplained Disappearances: Mysterious And Unexplained Disappearances Of Missing People And The True Missing Persons Cases And Stories (Missing Persons, ... People, True Crime, True Crime Stories)

Mysterious And Unexplained Disappearances Of Missing People And The True, Missing Persons Cases And Stories*****Get Your FREE BONUS When You Download This Book!*****As much as people struggle to understand the mystery of the Bermuda Triangle, Bennington Vermont also managed to raise many eyebrows. Typical disappearance cases posit that a person would go elsewhere and never return or they were kidnapped by unknown forces. But the cases in Bennington Triangle are different. The people who went missing left nothing but baffled witnesses. Logical explanations were so far out of reach. Could there really be a place out there where in people vanish mysteriously without a trace? When a structure is made at the center of multiple ley lines, could it hold a passage to another dimension? How can villagers abandon their homes on a cold winter night, leaving their food and weapons behind? What really transpires when people disappear? Our world, despite the advancement in science and technology, still offers a lot of unsolved mysteries. These cases are enough to keep your minds wheel running even at the dead of the night. Even though we would unlikely solve the mysteries featured herein, its still nice to learn that some things in our world are not meant to be revealed: A very powerful reminder that even though anything is possible, not all can be understood. Here Is A Preview Of What Youll Learn...Unexplained Disappearances The Unusual Disappearance of the Golden CadetUnexplained Disappearances When Lightning Strikes: How did these Campers Simply Vanish?Unexplained Disappearances The Bennington Triangle: How have so many People gone Missing Without a Trace?Unexplained Disappearances The Missing Heiress at Central ParkUnexplained Disappearances Joe Labelles Vanishing Village
