

# Moodle 1.9 Theme Design: Beginners Guide

This is a Beginners Guide, with plenty of worked examples, step-by-step visual guides, and explanations. If you are a Moodle administrator, ICT technical personnel, designer or a teacher and wish to enhance your Moodle site to make it visually attractive, then this book is for you. You should be familiar with the basics of Moodle operation, and some familiarity with web design techniques, such as HTML and CSS, will be helpful.
