

My Mothers Dressing Room

A fashion consultant, vintage-wear hunter and storyteller, Siobhan Bunny McDonough brings a keen and playful sensibility to what people look good wearing, and is able to finesse clients comfort level while pushing them to take a little more fashion risk. The way we dress offers such a window into who we are, she says. Why waste that opportunity? Live adventurously! An Associated Press and newspaper reporter for many years, Bunny has covered Washington society, national news, human interest stories and now the social scene in Vero Beach, Fla. She has had great exposure to people of different backgrounds and styles, having lived in Antibes, Buenos Aires, Madrid, Cuemavaca, New York City, Carson City, Nev.; and Washington, D.C. Her expertise extends well beyond the elegant dinner party or night out, to include practical every-day and outdoor wear.
