

More of Moulds Medical Anecdotes,

This is another fascinating collection of Richard Moulds anecdotes, stories and extracts from the medical and lay press, with assorted black and white illustrations....an entertaining read. RAD Magazine ...a mine of fun, charm and poignancy and is an excellent follow up to Moulds first volume of anecdotes. J A B Gibson, Radiation Protection Dosimetry ...a book of fun. Royal Society of Medicine This is a book to be dipped into, rather than read cover to cover, and there is something to interest everyone here. - Clinical Biochemist, 12/90 I enjoyed this volume so much that I have just sent off an order for the first book. Dont pinch your colleagues, buy your own! - Stuart G McNee (HPA Bulletin 1991)
