

# The Camino from Leon to Santiago: Short, practical and inspiring travel notes for a two-week uplifting experience along the Way

This little gem of a book offers a personal and practical guide to packing for, booking, and walking the life-changing pilgrimage of the Camino from Leon to Santiago de Compostela by way of one woman's experience. It is especially useful for busy people who cannot afford to do the entire Camino experience (40 days and 800 km walking), but who need a break from the pressure of their normal routine in order to see their lives from a different perspective, to find new meaning, and to restore the passion and joy of living. The book is rich with practical tips and ideas, offering photographs and a map of the route as well as thoughtful insights to uplift your spirit for a healthier attitude towards life. This two-week travelogue will help you to make the first, the most difficult and the most important one of the steps that may lead you back to the true Way destined for your life.
