

Nelles Guide Canada: Pacific Coast, the Rockies, Prairie Provinces, and the Territories (Nelles Guides)

These great-value guides cover destinations far and wide around the globe. Established in 1990, Nelles Guides sought to provide travelers with comprehensive destination coverage in a handy, take-along format. Today, the tradition continues. Nelles Guides are researched and written by local correspondents and are updated regularly. Each book has a well-rounded introduction that delves into the country's history and culture, tempting the reader to explore. The What to See & Do section for each area can cover anything from sightseeing and driving tours to jungle treks and visits to the local museums. You'll find detailed entries for restaurants, shopping, entertainment, festivals and more. All accommodations are categorized by price level, making it easy for the reader to select a place to suit his/her budget. Practical travel issues -- health concerns, climate & clothing, visa requirements, currency, transportation, etc. -- are also addressed.
