

Almost True Hollywood Stories

Almost True Hollywood Stories is an offbeat, darkly funny fictional account of insider Bradley Lewis experiences writing screenplays while living and socializing with the elite Hollywoodland crowd. Doctors, agents, celebrated talent, writers, producers, business moguls, wannabes, medical students, the fabled Hillcrest Country Club and the Beverly Hills Tennis Club are all represented. Even deli owners and their families, as they intersect to form a meld of backstage show business and a macabre horror plot. This authentic view of the entertainment industry will appeal to any show business junkie, as well as anyone who enjoys a good laugh.
