

Password Keeper: Personal Password Journal - Data Flow

Password Keeper: Personal Password Journal - Data Flow A sleek and stylish journal with space for up to 200 passwords. This pocket-sized organizer lets you easily keep track of all your important passwords, login details, and other information, while keeping them safely stored on paper (rather than on your computer, where they could be at risk). Perfect for work or home, and a great gift for literally anyone with a computer. Each entry includes space for: - Website Name - Username / Email Address - Password - Password Updates (if you ever change your password) - Notes, Hints, and Security Questions Comes complete with a customizable table of contents, so you can easily locate any password in a flash, as well as an appendix for recording useful information like email account passwords, wireless internet settings, and more. This high-quality softcover journal is perfect-bound and wrapped in a beautiful glossy cover, so it will last for years to come. Never worry about forgetting a password again: get yours today!
