

Not the Israel My Parents Promised Me

Harvey Pekar's mother was a Zionist by way of politics. His father was a Zionist by way of faith. Whether Harvey was going to daily Hebrew classes or attending Zionist picnics, he grew up a staunch supporter of the Jewish state. But soon he found himself questioning the very beliefs and ideals of his parents. In *Not the Israel My Parents Promised Me*, the final graphic memoir from the man who defined the genre, Pekar explores what it means to be Jewish and what Israel means to the Jews. Over the course of a single day in his hometown of Cleveland, Ohio, Pekar and the illustrator JT Waldman wrestle with the mythologies and realities surrounding the Jewish homeland. Pekar interweaves his increasing disillusionment with the modern state of Israel with a comprehensive history of the Jewish people from biblical times to the present, and the result is a personal and historical odyssey of uncommon power. Plainspoken and empathetic, Pekar had no patience for injustice and prejudice in any form, and though he comes to understand the roots of his parents' unquestioning love for Israel, he arrives at the firm belief that all peoples should be held to the same universal standards of decency, fairness, and democracy. With an epilogue written by Joyce Brabner, *Not the Israel My Parents Promised Me* is an essential book for fans of Harvey Pekar and anyone interested in the past and future of the Jewish state. It is bound to create important discussions and debates for years to come.
