

## Office 2010 For Dummies, Book + DVD Bundle

A value-priced book-and-DVD bundle for getting started with the latest release of Microsoft Office. Eager to harness the power of Office 2010? Then this is the perfect book-and-DVD package for you! Featuring the enormously popular Office For Dummies book, the bundle also includes a must-have three-hour instructional DVD replete with step-by-step instructions covering the most essential Office 2010 tasks. You'll feel as though you have an Office 2010 expert by your side to answer your questions and walk you through popular topics, such as word processing, presentations, data management and analysis, and much more. You'll quickly and easily feel comfortable with Word, Excel, Outlook, PowerPoint, and Access. This book-and-DVD bundle is an ideal resource for getting comfortable and confident with the new features of and updates to Office 2010. Covers Microsoft Office basics in the book, such as typing in Word, navigating an Excel spreadsheet, creating a unique PowerPoint presentation, configuring e-mail with Outlook, designing an Access database, and much more. Provides step-by-step instructions for completing essential Office 2010 tasks on the DVD, including: creating a document, selecting commands from the ribbon, formatting with styles and templates, working with e-mail, adding audio and video to a presentation, designing a database, and more. With this book-and-DVD bundle, you'll spend more time working on your Office 2010 projects and less time figuring out how to use the Office applications.
