Where to hike with Fido in Oregon: All trails certified as dog-friendly, dog-fun, and dog-safe. *75 hikes throughout the state--many accessible from urban areas *What to pack for your pooch (the Ten Canine Essentials) and what to include in a doggy first-aid kit *Tips for hiking with minimum dog-impact on the environment and on other hikers Ellen Bishop and her dogs, Meesha and Dundee, have hiked more than 750 miles together in Oregon--now they present the best, most dog-friendly trails found throughout the state. These trails do not require leashes (except in parks as designated), and host few hikers and even fewer children. They are free of cliffs, paw-damaging terrain, poison oak, nearby roads, off-road vehicle traffic, and other hazards of particular danger for dogs. All of them offer shade and lakes or streams for Fido to play in or enjoy a drink. Many hikes are easily accessible from urban areas including Portland, Eugene-Springfield, Roseburg, and the Medford-Grants Pass area. There are also hikes along the Oregon Coast and in northeast Oregon, in areas including the Willowa Mountains.
