

Photoshop 7 Zero to Hero

From Photoshop 7 beginner to master, this book is designed to get you up to speed in the blink of an eye. Chapter Zero gets you acclimated with a quick tour of the basics?everything else is up to you. If youve got particular projects in mind, you can skip ahead and shortcut to fast solutions and instant results. If you want to know the whole story, you can work through the plain-speaking, comprehensively-illustrated chapters one by one and find out everything you need to know. Photoshop 7 Zero to Hero also includes a 96-page full color section featuring three complete Hero projects, wherein professional users of Photoshop take you through their workflow, from source image to the final work, packed with the insight only pros can give. This book will give you the knowledge, and the inspiration, to be a Photoshop 7 Hero.
