

Postfeminist Digital Cultures: Femininity, Social Media, and Self-Representation (Critical Studies in Gender, Sexuality, and Culture)

This book explores the controversial social media practices engaged in by girls and young women, including sexual self-representations on social network sites, sexting, and self-harm vlogs. Informed by feminist media and cultural studies, Dobson delves beyond alarmist accounts to ask what it is we really fear about these practices.

Postfeminist Digital Cultures: Femininity, Social Media, and Self-Representation Dobson's remarkable book on girls and young women's digital culture could not be covering a wide range of digital media, from SNS self-representations to Critical Studies in Gender, Sexuality, - Sarah Banet-Weiser, Professor and **Postfeminist Digital Cultures: Femininity, Social - Google Books** Informed by feminist media and cultural studies, Dobson delves beyond alarmist by girls and young women, including sexual self-representations on social network sites, Critical Studies in Gender, Sexuality, and Culture. **Postfeminist Digital Cultures: Femininity, Social - Google Books** Book.
