

Photoshop CS5 Digital Classroom, (Book and Video Training)

Photoshop CS5 is included with the Creative Suite 5.5 bundle. This book covers the version of Photoshop that ships with both Creative Suite 5 and Creative Suite 5.5. Photoshop is the world's most popular image-editing software, with more than four million users worldwide. This full-color book with video tutorials works together to create an entire Photoshop training which photographers, Web designers, and graphic designers can complete at their own pace. Fourteen lessons cover the features and capabilities of the newest version of Photoshop while teaching all the essential skills. Photoshop is the image-editing software preferred by professional photographers and designers around the world; the latest version includes new functionality and enhanced tools. Each of the 14 lessons developed by Adobe certified instructors includes step-by-step instructions, lesson files, and video tutorials. Covers Adobe Bridge, Camera RAW, masks and layers, painting and retouching, selections and layers, and more, taking you from the basics through intermediate-level skills. Photoshop CS5 Digital Classroom allows you to learn Photoshop from the experts who create official Adobe training materials, and do it at your own speed. Note: DVD and other supplementary materials are not included as part of eBook file. These materials are available for download upon purchase.
